Letter of Intent: Offer of Credit Fund for Organic Agriculture

Attention: Mr. Amin ur Rashid Yasin, the Minister of Agriculture for the People's Republic of Bangladesh.

Subject: Letter of intent regarding the offer of a Credit Fund for the organic agricultural transition.

Honourable Minister,

It is an honour to officially reaffirm our intention to support the People's Republic of Bangladesh in its transition to sustainable agriculture by offering the proposed Credit Fund.

1. The Proposed Credit Facility: We propose the establishment of a **0% interest Credit Facility** of **US\$25 million per year** (up to US\$100 million over 4 years). This credit is granted in the form of our high-performance, 100% organic liquid biofertilizers: **Bio-Plant** and **Pro-Plant**. We can increase this amount significantly so that your country is not short of fertiliser.

2. Objectives and Strategic Benefits: The main objective is to enable the People's Republic of Bangladesh to gradually replace chemical agriculture with a **100% organic model**, thereby guaranteeing food security and protecting public health. This partnership offers major advantages:

- **Food Sovereignty:** Significant improvement in crop yield and quality.
- **Budget Optimization:** Reallocation of chemical fertilizer subsidy funds to other rural infrastructure.
- **International Competitiveness:** Position the People's Republic of Bangladesh as an Asian leader in the export of certified organic products.

3. Expertise and Support: Our products have proven their effectiveness in several countries. Furthermore, we are committed to comprehensive technology transfer, including training for extension agents and farmers.

4. Implementation Terms: We offer a guaranteed stable price for four years. Payment terms stipulate a 30% down payment at the beginning of each 12-month period, with the remaining 70% due at the end of the year, guaranteed by an international bank that corresponds with the Kasikorn Bank in Thailand.

Please accept, Honourable Minister, the expression of my highest consideration.

Sincerely,

Mr. Peter McAlpine
Chief Marketing Officer
