Money Maker Management OVERVIEW

Who We Are ?

We are a company of limited responsibility, of American origin, based in Phoenix, Arizona State, USA. We are more than a Financial Company; we fund and manage Assets and mega projects for public and private sectors. Our Funds come from our capability of dealing with the top 50 prime international banks in USA, Europe, Far East and Australia. With our 20 years of age in the Financial and Capital Markets, we are proud to be one of the top seven companies in this field in the USA.

Our Company is managed by a Board of Directors, headed by The Chairman – CEO Dr. George K. Ghorayeb, who is an Expert in the International Finance and Platforms' Affairs, and who is the only one authorized to sign any agreement or contract bearing financial commitment on behalf of the Company.

Money Maker Management MMM finances government projects, such as power projects (Electricity, Oil, and Gas and other modern environmental power projects) , Highways, Inshore and offshore Bridges, Dams, railways and Subways, Airports, Harbors & shipping infrastructure, Potable and waste Water Treatment, telecommunication and other necessary large State infrastructure projects, and up structure projects like Hospitals, Schools, Universities, Public Buildings complex, Housing and Social Affairs Projects. Private projects such as real estate development or any entrepreneur project that promotes agriculture, fishing, house construction, shipbuilding, energy

supply that fit an outstanding excel for the country, as well as private institutions like banks or corporations. Further, MMM is professed to arrange transactions regarding metal products such as Gold (AU Aurum Utalium) and related components.

Money Maker Management MMM expertise in the global market for over 20 years can immediately recognize The Macro and Micro Risk Components and the relationship between the risk level of a security and the reward it promises.

Money Maker Management supervises the expenditures for the projects that it finances, through a committee of supervision, to assure and justify the allocation of the borrowed money in its right destinations (The designated projects).

Money Maker Management MMM Funding (between USD100M and 50Billion per project) is issued on several payments , clean and clear, with no encumbrances, and of non-criminal origin, transferred through the top prime banks of United States of America or Europe or Far East, against Financial Instrument be it BG/SBLC, MTN, CD's, Bonds, SKR, and/or several others of such. Likewise, keystone of public project finance is Sovereign Guarantee which is internationally accepted in order to financially promote projects that are deemed to be in the public interest.
